Township

Fire Department and
Emergency Medical Services
Operating Millage

Shall the Charter Township of Oakland be authorized to continue the previously authorized levy of .9975 mills for a period of 8 years beginning December 2021 and expiring December 2028 for purposes of providing fire protection services, including the operation and maintenance of the Oakland Township Fire Department and purchase of equipment and buildings to serve the Charter Township of Oakland. If levied in 2021, approval of this proposal would authorize the levy of \$.9399 per \$1000 of taxable value on all property in the Township. It is estimated that this proposal would result in the authorization to collect approximately \$1,429,865 in the first year (2021) if approved and levied. A property with a taxable value of \$100,000 would be taxed \$93.99 for the millage.

Renewal of the Historic
District Operating Millage

Shall the Charter Township of Oakland be authorized to renew a levy of up to .1096 for a period of ten (10) years, starting with the December 2022 levy, for the purpose of continuing to fund historic preservation, education, restoration, acquisition, and maintenance within the Charter Township of Oakland? As part of this purpose, this millage includes funding for the development and maintenance of the Cranberry Lake Farm Historic District, a site listed as a Community Historic Center on the National Register of Historic Places.

Approval of this proposal would renew the previously authorized tax limitation increase of approximately 11 cents per \$1,000 of taxable value on all taxable property in the township, or \$10.96 per year on a home with a taxable value of \$100,000.

Revenue from the levy renewal shall be disbursed to the Charter Township of Oakland. Based upon the projected 2022 Township wide taxable value, it is estimated that this proposal would result in authorization to collect up to \$176,888.10 of revenue in the first year (2022) if this millage renewal is authorized and levied.
